The 1961 Antler

White Deer High School

White Deer, Texas

Volume XXIV

Foreword

From the time the first students eagerly entered the halls of White Deer High School in August, 1960, till the Antler Staff wearily closed the doors in June, 1961, many important events took place which we shall always remember.

The freshman initiation was one of the first big events. Along with that came football season, bringing the big Homecoming game, the crowning of the football queen, and the rally downtown at the deer. Basketball season arrived; the girls' team went to the regional meet, and the boys' team brought honor and glory to WD by placing third in the state tournament.

There were many club activities we enjoyed throughout the year - hayrides, parties, convention trips, and club assemblies. Three new projects were tried this year - the Student Council Slave Day, the Junior Historian Club Pioneer Day, and the FFA Livestock Show. Students achieved recognition in varied fields - athletics, literary events, music, publications, dramatics, and clubwork.

There are other events too numerous to mention, but we have tried to include all the ones important to you. Now as you turn the pages, we take you through the school year 1960-61 in White Deer High School.

We fuss about the cafeteria food and complain about the buses, but what would we do without these services? The auxiliary personnel bring us to school in the morning, feed us at noon, and make us comfortable during the day. These people perform their duties uncomplainingly and give us the best of service throughout the year. What would we do without them?

Behind every successful team are important persons, the coaches. Our fine coaches here at WD have done an exceptionally good job in the basketball department this year. Other important persons behind the team are the managers, who keep track of equipment and perform various other tasks.

Two veterans are pictured here. Bob Moore has been coach here for six years and Buddy Crowson has been manager for four years. These two, along with the other coaches and managers, are to be commended for a job well done.

1961 was an outstanding year for the boys' basketball team. The Bucks won third place in the state tournament in Austin. This was quite an honor because it was the farthest the team had advanced in many years.

The boys completed the season with the best record ever compiled by a White Deer boys' team. They played 35 games and lost only 3. The Bucks won district, bi-district, region, and placed third at state. Lester was high scorer for the season with 555 points, followed by McAllister with 369, and Bichsel with 307.

The "B" team basketball boys, coached by Roy Simmons, came out this year with a 7-7 won-lost record in district play. They entered two tournaments during the season, placing third at Gruver and fourth at Fritch.

The freshman boys, however, went all the way and won all of the five games they played.

Indicating good prospects for next year, in the final game of the season, the "futures" nosed out the "exes" by one point.

BASKETBALL "A" TEAM - BACK ROW: Osborne, Rapp, Holloway, Grange, Hubbard, Ratliff, Hooker.
FRONT ROW: Riggins, Allen, Trayler, Moore, Burns, Peters, Poston.

Does Win District Title

The Does had a fine basketball season this year. They won 27 out of 35 games and journeyed to the Regional Tournament for the fourth straight year. The girls scored 1698 points to their opponents' 1180, and committed 517 fouls to their opponents' 498. High scorer was Juanna Jo Moore with 636 points, followed by Kay Allen, 436, and Leona Trayler, 422.

Leona Trayler goes up for two points during the WD game with Sunray.

Blocking opponents' shots are Patsy Holloway and Carol Rapp in the game with Panhandle.

BASKETBALL "B" TEAM - BACK ROW: Casaus, manager, Smith, Thomas, Crawford, Baker, Heaton, Miss Ball, coach. FRONT ROW: Williams, Powell, Rapstine, Jarvis, Hooker, Davis, Payne, Peters, Osborne, Hughes.

B - Team Makes Fine Record

Although the "A" team lost five starters this year, the record compiled by the "B" team indicated continued success next year. The girls won 14 games, lost 1, and added two first-place trophies to the trophy case. They scored 608 points and had 409 scored against them. Carlo Riggins led the scoring with 224 points; Judith Poston was second with 222; and Joyce Powell was third with 92.

Carlo Riggins jumps for two points while others wait.

Judith Poston clears the floor while Carlo sets in for action.

Dear Dean,

you don't know what a wonderful power
I think you are. I certainly enjoyed our
study hall together last year for I felt we got
better acquainted. I know you that I haven't
given you much reason to like I do because
I've been so unreasonable at times. I think
you know what I mean. I've wanted to ask
you to forgive me for the way I acted in
study hall one of the last days of school I
think you remember came & passed. May your
life be filled with nothing but happiness
and dreams come true.

Best wishes,
Frank B.

Dear Dean,

Well, guess this book ends the last of our school years together, but it was great fun while it lasted. It's going to seem kinda funny walking the halls without you. All things have to end sometime so something bigger and better can come along. I really think that something has come along and we have a great life ahead of us!

The past two years I've really had fun with you. We've had our ups and downs, but gosh, what's life if you don't fuss a little? If I had it to do over again I would jump at the chance. I love to sit and recall some of the things we did together and think of things we can do in the future. You'd be surprised what can pop into your mind at the most unexpected times. ^{No}

The longer I go with you the more I discover just what a wonderful guy you are. It's no wonder you are as well liked as you are. Always stay as you are and somehow you'll make a go of life even though it will be pretty hard at times. Believe me, I'm wishing you all the luck in the world with everything you attempt to do.

Lots of love to one of the most wonderful guys ever,

Pat

Dear Dean:

Knowing you has been
in many ways, an education.
While I couldn't always agree
with you or even get along
with you, your viewpoint
was at least a fresh one!
I think and I hope, Dean,
that your future will be
a happy one for you, for I
think you deserve it.

Sincerely,
Barbara Richards

Dear Dean.

I have really
enjoyed being your

we can become
better friends in
the future.

Best of wishes

Dear Dean,

Although I really don't
know you to well, I like

think you are a swell guy
and I hope to get to know
you better in the future.
God luck and God bless you.

Dear Dean,
